Important Notice from QualChoice About Our Prescription Drug Coverage and Medicare

The Office of Personnel Management (OPM) has determined that the QualChoice prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. This means you do not need to enroll in Medicare Part D and pay extra for prescription drug coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly Medicare Part D premium will go up at least 1 percent per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19% higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at [www. socialsecurity.gov](http://www.socialsecurity.gov), or call the SSA at 800-772-1213, (TTY: 800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

Visit [www. medicare.gov](http://www.medicare.gov) for personalized help.

Call 800-MEDICARE (800-633-4227), (TTY 877-486-2048).

Income-Related Monthly Adjustment Amount (IRMAA)

The Medicare Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may pay in addition to your FEHB premium to enroll in and maintain Medicare prescription drug coverage. **This additional premium is assessed only to those with higher incomes and is adjusted based on the income reported on your IRS tax return.** You do not make any IRMAA payments to your FEHB plan. Refer to the Part D-IRMAA section of the Medicare website [https://www. medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans](https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans) to see if you would be subject to this additional premium.

Introduction

This brochure describes the benefits of QualChoice under our contract (CS 2921) between QualChoice and the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer service may be reached at 800-235-7111 or through our website: www.qualchoice.com. If you are deaf, hearing impaired or speech impaired, you can contact our Customer Service at 800-235-7111, TTY 711. If you need ASL providers see our website at www.qualchoice.com.

The address for the QualChoice administrative offices is:

QualChoice

P.O. Box 25610, Little Rock, AR 72221
1001 Technology Drive, Little Rock, AR 72223

This brochure is the official statement of benefits. No verbal statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One or Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2026, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates for each plan annually. Benefit changes are effective January 1, 2026, and changes are summarized on page 14. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples:

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee and each covered family member, “we” means QualChoice.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of healthcare for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the phone or to people you do not know, except for your healthcare providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services you did not receive.
- Do not ask your doctor to make false entries on certificates, bills, or records in order to get us to pay for an item or service.

- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 800-235-7111 and explain the situation.
 - If we do not resolve the issue:

CALL - THE HEALTHCARE FRAUD HOTLINE

877-499-7295

OR go to www.opm.gov/our-inspector-general/hotline-to-report-fraud-waste-or-abuse/complaint-form/

The online reporting form is the desired method of reporting fraud in order to ensure accuracy, and a quicker response time.

You can also write to:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise) or
 - Your child age 26 or over (unless they are disabled and incapable of self-support prior to age 26).

A carrier may request that an enrollee verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

- If you have any questions about the eligibility of a family member, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage (TCC).
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include; falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for service received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Discrimination is Against the Law

We comply with applicable Federal nondiscrimination laws and do not discriminate on the basis of race, color, national origin, age, disability, religion, sex, pregnancy, or genetic information. We do not exclude people or treat them differently because of race, color, national origin, age, disability, religion, sex, pregnancy, or genetic information.

The health benefits described in this brochure are consistent with applicable laws prohibiting discrimination. All coverage decisions will be based on nondiscriminatory standards and criteria. An individual's protected trait or traits, will not be used to deny health benefits for items, supplies, or services that are otherwise covered and determined to be medically necessary.

Preventing Medical Mistakes

Medical mistakes continue to be a significant cause of preventable deaths within the United States. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. Medical mistakes and their consequences also add significantly to the overall cost of healthcare. Hospitals and healthcare providers are being held accountable for the quality of care and reduction in medical mistakes by their accrediting bodies. You can also improve the quality and safety of your own healthcare and that of your family members by learning more about and understanding your risks. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you take notes, ask questions and understand answers.

2. Keep and bring a list of all the medications you take.

- Bring the actual medication or give your doctor and pharmacist a list of all the medications and dosage that you take, including non-prescription (over-the-counter) medications and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food and other allergies you have, such as to latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medication is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medication, including all warnings and instructions.
- Know how to use your medication. Especially note the times and conditions when your medication should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.
- Understanding both the generic and brand names for all your medication(s) is important. This helps ensure you do not receive double dosing from taking both a generic and a brand of the same medication. It also helps you avoid taking a medication to which you are allergic.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures. Will it be in person, by phone, mail, through the Plan or Provider's portal?
- Don't assume the results are fine if you do not get them when expected. Contact your healthcare provider and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital or clinic is best for your health needs.

- Ask your doctor about which hospital or clinic has the best care and results for your condition if you have more than one hospital or clinic to choose from to get the healthcare you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital or clinic.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:

- "Exactly what will you be doing?"

- "About how long will it take?"

- "What will happen after surgery?"

- "How can I expect to feel during recovery?"

- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications or nutritional supplements you are taking.

Preventable Healthcare Acquired Conditions ("Never Events")

When you enter the hospital for treatment of one medical problem, you do not expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, patients do suffer from injuries or illnesses that could have been prevented if doctors or the hospital had taken proper precautions. Errors in medical care that are clearly identifiable, preventable and serious in their consequences for patients, can indicate a significant problem in the safety and credibility of a healthcare facility. These conditions and errors are sometimes called "Never Events" or "Serious Reportable Events."

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores, and fractures, and to reduce medical errors that should never happen. When such an event occurs, neither you or your FEHB plan will incur costs to correct the medical error.

You will not be billed for inpatient services related to treatment of specific hospital-acquired conditions or for inpatient services needed to correct Never Events, if you use QualChoice preferred providers. This policy helps protect you from preventable medical errors and improve the quality of care you receive.

FEHB Facts

Coverage information

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Minimum essential coverage (MEC)

Coverage under this plan qualifies as minimum essential coverage. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.

Minimum value standard

Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is an actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/healthcare-insurance for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies that participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, give you other plans' brochures and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment,
- How you can cover your family members,
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire,
- What happens when your enrollment ends,
- When the next Open Season for enrollment begins.

We determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

Once enrolled in your FEHB Program Plan, you should contact your carrier directly for updates and questions about your benefit coverage.

Enrollment types available for you and your family

Self Only coverage is only for the enrollee. Self Plus One coverage is for the enrollee and one eligible family member. Self and Family coverage is for the enrollee and one or more eligible family members. Family members include your spouse and your children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self Plus One or Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family or Self Plus One enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self Plus One or Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form. Benefits will not be available to your spouse until you are married. A carrier may request that an enrollee verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

Contact your employing or retirement office if you want to change from Self Only to Self Plus One or Self and Family. If you have a Self and Family enrollment, you may contact us to add a family member.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits. Please tell us immediately of changes in family member status, including your marriage, divorce, annulment, or when your child reaches age 26. We will send written notice to you 60 days before we proactively disenroll your child on midnight of their 26th birthday unless your child is eligible for continued coverage because they are incapable of self-support due to a physical or mental disability that began before age 26.

If you or one of your family members is enrolled in one FEHB plan, you or they cannot be enrolled in or covered as a family member by another enrollee in another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLE's, visit the FEHB website at www.opm.gov/healthcare-insurance/life-events. If you need assistance, please contact your employing agency, Tribal Benefits Officer, personnel/payroll office, or retirement office.

Family Member Coverage

Family members covered under your Self and Family enrollment are your spouse (including you spouse by a valid common-law marriage from a state that recognizes common-law marriages) and children as described in the chart below. A Self Plus One enrollment covers you and your spouse, or one other eligible family member as described below.

Family members covered under your Self and Family enrollment are your spouse (including your spouse by a valid common-law marriage from a state that recognizes common-law marriages) and children as described in the chart below. A Self Plus One enrollment covers you and your spouse, or one other eligible family member as described below.

Natural children, adopted children, and stepchildren

Coverage: Natural children, adopted children, and stepchildren are covered until their 26th birthday.

Foster children

Coverage: Foster children are eligible for coverage until their 26th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.

Children incapable of self-support

Coverage: Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.

Married children

Coverage: Married children (but NOT their spouse or their own children) are covered until their 26th birthday.

Children with or eligible for employer-provided health insurance

Coverage: Children who are eligible for or have their own employer-provided health insurance are covered until their 26th birthday.

Newborns of covered children are insured only for routine nursery care during the covered portion of the mother's maternity stay.

You can find additional information at www.opm.gov/healthcare-insurance.

Children's Equity Act

OPM implements the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self Plus One or Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll in Self Plus One or Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self Plus One or Self and Family coverage, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.
- If you have a Self Only enrollment in a Point of Service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family, as appropriate, in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that does not serve the area in which your children live, unless you provide documentation that you have other coverage for the children.

If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that does not serve the area in which your children live as long as the court/administrative order is in effect. Similarly, you cannot change to Self Plus One if the court/administrative order identifies more than one child. Contact your employing office for further information.

When benefits and premiums start

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be processed according to the 2026 benefits of your prior plan or option.** If you have met (or pay cost-sharing that results in your meeting) the out-of-pocket maximum under the prior plan or option, you will not pay cost-sharing for services covered between January 1 and the effective date of coverage under your new plan or option. However, if your prior plan left the FEHB Program at the end of 2025, you are covered under that plan's 2025 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage, (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits**When FEHB coverage ends**

You will receive an additional 31-days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31-day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31-day temporary extension.

You may be eligible for spouse equity coverage or assistance with enrolling in a conversion policy (a non-FEHB individual policy).

Upon divorce

If you are an enrollee, and your divorce or annulment is final, your ex-spouse cannot remain covered as a family member under your Self Plus One or Self and Family enrollment. You must contact us to let us know the date of the divorce or annulment and have us remove your ex-spouse. We may ask for a copy of the divorce decree as proof. In order to change enrollment type, you must contact your employing or retirement office. A change will not automatically be made.

If you were married to an enrollee and your divorce or annulment is final, you may not remain covered as a family member under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get additional information about your coverage choices. You can also visit OPM's website at <https://www.opm.gov/healthcare-insurance/life-events/memy-family/im-separated-or-im-getting-divorced/#url=Health>. We may request that you verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

Temporary Continuation of Coverage (TCC)

If you leave Federal service, Tribal employment, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal or Tribal job, or if you are a covered child and you turn age 26.

You may not elect TCC if you are fired from your Federal or Tribal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a tax credit that lowers your monthly premiums. Visit www.HealthCare.gov to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing FEHB Program coverage.

Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal or Tribal service, your employing office will notify you of your right to convert. You must contact us in writing within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will not notify you. You must contact us in writing within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, waiting period will not be imposed and your coverage will not be limited due to pre-existing conditions. When you contact us we will assist you in obtaining information about health benefits coverage inside or outside the Affordable Care Act's Health Insurance Marketplace in your state. For assistance in finding coverage, please contact us at 800-235-7111 or visit our website at www.qualchoice.com.

Health Insurance Marketplace

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

Section 1. How This Plan Works

This Plan is a health maintenance organization (HMO). OPM requires that FEHB plans be accredited to validate that plan operations and/or care management meet nationally recognized standards. QualChoice holds the following accreditation: NCQA. To learn more about the plan's accreditation, please visit the following website: www.ncqa.org. We require you to see specific physicians, hospitals, and other providers that contract with us in order to receive maximum benefits. These Plan providers coordinate your health care services. We are solely responsible for the selection of these providers in your area. Contact us for a copy of our most recent provider directory. We give you a choice of enrollment in a High Option, or a Standard Option. If you are enrolled in the High Option you can use the Point-of-Service(POS) Out-of-Network benefit. (See Section 5(j)).

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of our High and Standard Options

We have Open Access benefits

Our HMO offers Open Access benefits. This means you can receive covered services from a participating provider without a required referral from your primary care provider or by another participating provider in the network.

We have Point of Service (POS) benefits

Our HMO offers Point-of-Service (POS) benefits under the High Option Plan. This means you can receive covered services from a non-participating provider. However, out-of-network benefits may have higher out-of-pocket-costs than our in-network benefits.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your cost-sharing (copayments, coinsurance, deductibles, and non-covered services and supplies).

Preventive care services

Preventive care services are generally covered with no cost sharing and are not subject to copayments, deductibles or annual limits when received from a network provider.

Annual deductible

The annual deductible must be met before Plan benefits are paid for care other than preventive care services.

Catastrophic protection

We protect you against catastrophic out-of-pocket expenses for covered services. The IRS limits annual out-of-pocket expenses for covered services, including deductibles and copayments, to no more than \$10,600 for Self Only enrollment, and \$21,200 for a Self Plus One or Self and Family. The out-of-pocket limit for this Plan may differ from the IRS limit, but cannot exceed that amount.

Your rights and responsibilities

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB website www.opm.gov/healthcare-insurance lists the specific types of information that we must make available to you. Some of the required information is listed below;

- Years in existence - We have been in business since 1996.
- Profit status - We are a for profit organization.

You are also entitled to a wide range of consumer protections and have specific responsibilities as a member of this Plan. You can view the complete list of these rights and responsibilities by visiting our website, QualChoice at www.qualchoice.com. You can also contact us to request that we mail a copy to you.

If you want more information about us, call 800-235-7111, or write to QualChoice, P.O. Box 25610, Little Rock, AR 72221. You may also contact us by fax at (501) 228-0135 or visit our website, QualChoice at www.qualchoice.com.

By law, you have the right to access your protected health information (PHI). For more information regarding access to PHI, visit our website, QualChoice at www.qualchoice.com to obtain our Notice of Privacy Practices. You can also contact us to request that we mail a copy of that Notice.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our service area. This is where our providers practice. Our service area is the entire State of Arkansas. We have certain healthcare providers in our network in some areas immediately surrounding Arkansas. The High Option/Point of Service (POS) product provides Out-of-Network benefits and the Standard Option has no Out-of-Network benefits other than Emergency Services.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other healthcare services out of our service area unless the services have prior Plan approval. You are responsible for calling for prior approval, call (800) 235-7111.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your covered family members live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a Point of Service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. Changes for 2026

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5. Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- Sex-Trait Modification and Chemical Treatment services to treat gender dysphoria will not be covered for 2026. **(pg. 44)**

Changes to High Option only

- Your share of the premium rate will **increase** for Self Only, Self Plus One and Self and Family. See 2026 Rate Information, **pg. 98**.
- Doulas will be covered under the Maternity Care Benefit for 2026. **(pg. 31)**
- Diagnostic Mammograms will be covered without member cost share. (pg. 29)

Changes to Standard Option only

- Your share of the premium rate will **increase** for Self Only, Self Plus One and Self and Family. See 2026 Rate Information, **pg. 98**.
- Doulas will be covered under the Maternity Care Benefit for 2026. **(pg. 31)**
- Diagnostic Mammograms will be covered without member cost share for 2026. (pg. 29)

Changes to both High and Standard Options

- Sex-Trait Modification and Chemical Treatment services to treat gender dysphoria will not be covered for 2026. **(pg. 44)**
- Doulas will be covered under the Maternity Care Benefit for 2026. **(pg. 31)**
- Your share of the premium rate will increase for Self Only, Self Plus One and Self and Family **(pg. 98)**
- Diagnostic Mammograms will be covered without member cost share for 2026. (pg. 29)

Section 3. How You Get Care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at (800) 235-7111 or write to us at QualChoice, P.O. Box 25610, Little Rock, AR 72221. You may also request replacement cards through our website: www.qualchoice.com.

Where you get covered care

Under High Option, you can use both In-Network and Out-of-Network Providers. In-Network Providers will submit claims to us on your behalf and obtain any necessary preauthorization. You have direct access to In-Network Providers without a referral. Under the High Option Point of Service Plan, you can also get care from Out-of-Network Providers. It is your responsibility to obtain pre-authorizations for Out-of-Network services that require pre-authorizations. If you use In-Network Providers, you will pay less.

Under Standard Option, you have direct access to see In-Network Providers without a referral. You must use In-Network Providers under the Standard Option to be eligible for benefits, except in circumstances such as emergency care. In-Network Providers will submit claims on your behalf and obtain any necessary preauthorization.

• Balance Billing Protection

FEHB Carriers must have clauses in their in-network (participating) providers agreements. These clauses provide that, for a service that is a covered benefit in the plan brochure or for services determined not medically necessary, the in-network provider agrees to hold the covered individual harmless (and may not bill) for the difference between the billed charge and the in network contracted amount. If an in-network provider bills you for covered services over your normal cost share (deductible, copay, co-insurance) contact your Carrier to enforce the terms of its provider contract.

Plan providers

Plan providers are In-Network Providers and other healthcare professionals in our service area that we contract with to provide covered services to our members. Services by Plan Providers are covered when acting within the scope of their license or certification under applicable state law. We credential Plan providers according to national standards.

Benefits are provided under this Plan for the services of covered providers, in accordance with Section 2706(a) of the Public Health Service Act. Coverage of practitioners is not determined by your state's designation as a medically underserved area.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website.

Benefits described in this brochure are available to all members meeting medical necessity guidelines regardless of race, color, national origin, age, disability, religion, sex, pregnancy or genetic information.

This plan provides Care Coordinators for complex conditions and can be reached at (800) 235-7111 or write to us at QualChoice, P.O. Box 25610, Little Rock, AR 72221 for assistance.

Plan facilities

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website at www.qualchoice.com.

What you must do to get covered care

Under High Option, you can go to any In-Network Provider you want to, but in some circumstances, we must approve your care in advance. You also have Out-of-Network benefits under this Plan option. If you receive care from Out-of-Network Providers, you will be responsible for a separate deductible and coinsurance amount and you will be responsible for any difference between our allowance and the billed amount. Please refer to Section 4, “Your costs for covered services”, for related benefits information.

Under Standard Option, you **must** use **In-Network** Providers in order to receive benefits, except under the special situations listed below. In addition, we must approve certain types of care in advance. Please refer to Section 4, “Your costs for covered services”, for related benefit information.

1. Medical emergency or accidental injury care in a hospital emergency room and related ambulance transport as described in Section 5(d), Emergency services/accidents
2. Professional care provided at In-Network facilities by Out-of-Network radiologists, anesthesiologists, certified registered nurse anesthetists (CRNAs), laboratory, pathologists, emergency room physicians, and assistant surgeons
3. Special provider access situations

Unless otherwise noted in Section 5, when services of Out-of-Network Providers are covered in a special exception, you are responsible for the applicable deductible, coinsurance or copayment.

Primary care

Your primary care provider can be any one of the following provider types; a) Family or General Practitioner, b) Internal Medicine, c) Pediatrician, d) Geriatrics. We encourage you to utilize an In-Network Primary Care Provider to assist in the coordination of your healthcare services under this Plan. The utilization of an In-Network Primary Care Provider is a matter you control and you are not required to notify us of your In-Network Primary Care Provider relationship. If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

Specialty care

You are always encouraged to seek care directly from an In-Network Primary Care Provider first. You may also seek care with any In-Network Provider under this Plan without a Referral. The Specialty Care benefits will apply to services provided to you by a Specialty Care Provider, as described in Section 5.

Here are some other things you should know about specialty care:

If you have a medical condition that needs special services, you may need to see an In-Network specialist. If you require certain complex covered services for which expertise is not available In-Network, we may direct you to an Out-of-Network Provider. **In-Network Benefits will only be paid if the Out-of-Network Provider and services are approved by us.** Call (800) 235-7111 to request review. The following do not constitute approval for Benefits:

- A referral, whether written or oral, by your In-Network Provider to an Out-of-Network Provider
- An order or prescription for services to an Out-of-Network Provider

You may continue seeing your specialist for up to 90 days if you are undergoing treatment for a chronic or disabling condition and you lose access to your specialist because:

- we terminate our contract with your specialist for other than cause;
- we drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB plan; or
- we reduce our Service Area and you enroll in another FEHB plan.

Contact us at 800-235-7111, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

Note: If you lose access to your specialist because you changed your carrier or plan option enrollment, contact your new plan.

Sex-Trait Modification: If you are mid-treatment under this Plan, with a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services for which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care.

Our exception process is as follows: The exception process will be applied on a case-by-case basis. In order to apply for an exception to the CL 2025-01-b exclusion of sex-trait medical interventions/transgender services call our customer service office at 1.800.235.7111. You will also find more information on our member website at www.qualchoice.com.

Individuals under age 19 are not eligible for exceptions related to services for ongoing surgical or hormonal treatment for diagnosed gender dysphoria.

If you disagree with this information, please contact our claims dispute department at 1.800.235.7111 to speak to a representative.

- **Hospital Care**

If you are hospitalized when your enrollment begins

Your primary care provider or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at (800) 235-7111. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center
- the day your benefits from your former plan run out
- the 92nd day after you become a member of this Plan, whichever happens first

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services:

You must get prior approval for certain services. Failure to do so for out-of-network services, on the High Option, will result in the service not being eligible for coverage.

Since we do not have a primary care provider requirement and we allow you to use non-Plan providers if you select the High Option plan, if you seek services from a non-Plan provider you need to obtain our approval before you receive certain services. The pre-service claim approval processes for inpatient hospital admissions (called precertification) and for other services, are detailed in this Section. A pre-service claim is any claim, in whole or in part, that requires approval from us in advance of obtaining medical care or services. In other words, a pre-service claim for benefits

(1) requires precertification or prior approval and (2) will result in a denial or reduction of benefits if you do not obtain precertification or prior approval.

- **Inpatient Hospital Admission**

Precertification is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition.

- **Other Services**

Pre-authorization is a determination made prior to services or supplies being provided on whether the services or supplies are medically necessary. We must receive sufficient clinical information to establish medical necessity. The medical necessity for an Out-of-Network Referral will include the absence of or the exhaustion of all In-Network resources. Pre-authorizations are all time-limited.

Your primary care provider has authority to refer you for most services. For certain services, however your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows general accepted medical practice.

You must obtain prior-authorization for services such as those listed below:

- Equipment such as Bone stimulators, DME
- All Inpatient services, including Hospice
- Home Care
- Medications, such as “off label” usage, Injectables, specialty medications
- Certain Outpatient Services, and out-of-network outpatient services
- Specialized scanning diagnostic exams, and advanced imaging procedures such as, MRI, CT Scans and PET Scans
- Surgical treatments
- Transplants
- Out of Network Services [Applies to Point-of-Service (POS) benefit/available only if enrolled in the High Option]

For a complete list of services requiring authorization go to www.qualchoice.com.

How to request precertification for an admission or get prior authorization for Other services

First, your physician, your hospital, you or your representative, must call us at (800) 235-7111 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of days requested for hospital stay.

Non-urgent care claims

For non-urgent care claims, we will tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15-day period. Our notice will include the circumstances underlying the request for extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 45 days from the receipt of the notice to provide the information.

Urgent care claims

If you have an urgent care claims (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether or not it is an urgent care claim by applying the judgement of a prudent layperson that possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to let you know what information we need to complete our review of the claim. You will then have up to 48 hours to provide the required information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at (800) 235-7111. You may also call OPM's Health Insurance 3 at (202) 606-0755 between 8 a.m. and 5 p.m. Eastern Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at (800)235-7111. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

Concurrent care claims

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.

Emergency inpatient admission

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within 24 hours or the next business day following the day of the emergency admission, even if you have been discharged from the hospital.

Maternity Care

You do not need precertification of a maternity admission for a routine delivery. However, if your medical condition requires you to stay more than 48 hours after a vaginal delivery or 96 hours after a cesarean section, then your physician or the hospital must contact us for precertification of additional days. Further, if your baby stays after you are discharged, your physician or the hospital must contact us for precertification of additional days for your baby.

Note: When a newborn required definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits.

If your treatment needs to be extended	If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.
What happens when you do not follow the precertification rules when using non-network facilities	Your responsibility for obtaining pre-authorization varies depending on whether you use In-Network or Out-of-Network Providers. In-Network Providers are responsible for obtaining the necessary pre-authorizations for you. Out-of-Network Providers have no contractual relationship to QualChoice, and therefore are not responsible for obtaining required pre-authorizations. When you receive care from Out-of-Network Providers, you are responsible for making sure all the providers obtain the required pre-authorizations. The Out-of-Network Providers must supply the clinical information necessary for us to determine Medical Necessity. We will give no pre-authorization without the necessary clinical information.
Circumstances beyond our control	Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.
If you disagree with our pre-service claim decision	If you have a pre-service claim and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below. If your claim is in reference to a contraceptive, call 800-228-7111. If you have already received the service, supply, or treatment, then you have a post-service claim and must follow the entire disputed claims process detailed in Section 8.
To reconsider a non-urgent care claim	Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure. In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to 1. Precertify your hospital stay or if applicable, arrange for the healthcare provider to give you the care or grant your request for prior approval for a service, drug, or supply or 2. Ask you or your provider for more information. You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days. If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision. 3. Write to you and maintain our denial.
To reconsider an urgent care claim	In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure. Unless we request additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.
To file an appeal with OPM	After we reconsider your pre-service claim , if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your Cost for Covered Services

This is what you will pay out-of-pocket for covered care:

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Copayments A co-payment is a fixed amount of money you must pay to the provider, facility, pharmacy, etc., when you receive certain services. Co-payment amounts do not apply to the satisfaction of the deductible amounts. Medical and Prescription Drug Co-payments do apply to satisfaction of catastrophic out-of-pocket limits for each enrollee or family. Please see your Benefits Summary for a list of those benefits to which co-payments apply.

Example: When you see your primary care provider, you pay a co-payment of \$20 per office visit, and when you go in the hospital, you pay \$100 per admission.

Deductible A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.

- **Under Standard Option**, there is no calendar year deductible
- **Under High Option**, the calendar year deductible for In-Network Providers is \$500 per person. Under a Self Only enrollment, the deductible is considered satisfied and benefits are payable for you when your covered expenses applied to the calendar year deductible for your enrollment reaches \$500. Under a Self Plus One enrollment, the deductible is considered satisfied and benefits are payable for you and one other eligible family member when the combined covered expenses applied to the calendar year deductible for your enrollment reach \$1,000. Under a Self and Family enrollment, the deductible is considered satisfied and benefits are payable for all family members when the combined covered expenses applied to the calendar year deductible for family members reaches \$1,000. The calendar year deductible for Out-of-Network Providers is \$1,000 per person (\$3,000 Self Plus One and Self Plus Family). Deductibles for In-Network providers and Out-of-Network providers are accumulated separately.

Note: If you change plans during Open Season, you do not have to start a new deductible under your prior plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

If you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to the deductible of your new option.

Coinsurance Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: Under Standard Option, you pay 30% of our allowance for many covered services and Under High Option, you pay 20% of our allowance for many covered services in-network and you pay 40% of our allowance out-of-network.

Differences between our Plan allowance and the bill Our "**Plan allowance**" is the amount we use to calculate our payment for certain types of covered services. Often, the provider's bill is more than the plan's allowance.

In-Network providers. These providers have agreements with QualChoice to limit what they bill our members. Because of that, when you use an In-Network provider, your share of the provider's bill for covered care is limited.

- **Under High Option**, your cost consists only of your deductible and coinsurance or copayment. Here is an example involving a copayment: You see an In-Network physician who charges \$150, but our allowance is \$100. You pay just \$20 of our \$100 allowance. Because of the agreement, your In-Network provider will not bill you for the \$50 difference between our allowance and his/her bill.
- **Under Standard Option**, your cost consists only of your copayment or coinsurance amount, since there is no calendar year deductible. Here is an example involving a copayment: You see an In-Network specialist provider who charges \$150 for covered services subject to a \$40 copayment. Even though our allowance may be \$100, you still pay just the \$40 copayment. Because of the agreement, your Preferred physician will not bill you for the \$110 difference. Under Standard Option, there is no Out-of-Network benefit. If you choose to receive care from an out-of-network provider, you will be responsible for all charges. See page 17 for the exceptions to this requirement.
- **Under High Option/Point-of-Service (POS) benefit**, when you use an Out-of-Network provider, you will pay your deductible and coinsurance **plus** any difference between our maximum plan allowance and the charges on the bill (except in certain circumstances – see pg. 12). For example, you see an Out-of-Network provider who charges \$150. The Plan allowance is again \$100, and you have met your deductible. You are responsible for your coinsurance, so you pay 40% of the \$100 Plan allowance or \$40. Plus, because there is no agreement between the Non-participating physician and us, the physician can bill you for the \$50 difference between our allowance and his/her bill. Out-of-Network providers. These providers have no agreement to limit what they will bill you.

You should also see section Important Notice About Surprise Billing – Know Your Rights below that describes your protections against surprise billing under the No Surprises Act.

Your catastrophic protection out-of-pocket maximum

- **Standard Option**-After your (copayments and coinsurance) total \$5,500 for Self Only or \$11,000 for Self Plus One and Self Plus Family in any calendar year, you do not have to pay any more for covered services. ***The maximum annual limitation on cost sharing listed under Self Only of \$5,500 applies to each individual, regardless of whether the individual is enrolled in Self Only, Self Plus One, or Self and Family.***
- **High Option**-After your (deductible, copayments and coinsurance) total \$5,000 for Self Only or \$10,000 for Self Plus One and Self Plus Family in any calendar year, you do not have to pay any more for covered services. The Out-of-Network Out-of-Pocket limit under the High Option Plan is \$13,200 for Self Only enrollment and \$26,400 for Self Plus One and Self Plus Family enrollment. ***The maximum annual limitation on cost sharing listed under Self Only of \$5,000 applies to each individual, regardless of whether the individual is enrolled in Self Only, Self Plus One, or Self and Family.***

Example Scenario: Your plan has a \$5,000 Self Only maximum out-of-pocket limit and a \$10,000 Self Plus One or Self and Family maximum out-of-pocket limit. If you or one of your eligible family members has out-of-pocket qualified medical expenses of \$5,000 or more for the calendar year, any remaining qualified medical expenses for that individual will be covered fully by your health plan. With a Self and Family enrollment out of pocket maximum of \$10,000, a second family member, or an aggregate of other eligible family members, will continue to accrue out-of-pocket qualified medical expenses up to a maximum of \$5,000 for the calendar year before their qualified medical expenses will begin to be covered in full.

However, the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments and coinsurance for these services:

- Eyeglass and or contact lens discount plan

Carryover

If you changed to this Plan during Open Season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your prior plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your prior plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your prior plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your prior plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Important Notice About Surprise Billing - Know Your Rights

The No Surprises Act (NSA) is a federal law that provides you with protections against "surprise billing" and "balance billing" for out-of-network emergency services; out-of-network non-emergency services provided with respect to a visit to a participating health care facility; and out-of-network air ambulance services.

A surprise bill is an unexpected bill you receive for

- emergency care - when you have little or no say in the facility or provider from whom you receive care, or for
- non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for
- air ambulance services furnished by non-participating providers of air ambulance services.

Balance billing happens when you receive a bill from the nonparticipating provider, facility, or air ambulance service from the difference between the nonparticipating provider's charge and the amount payable by your health plan.

Your health plan must comply with the NSA protections that hold you harmless from surprise bills.

For specific information on surprise billing, the rights and protections you have, and your responsibilities go to <https://www.qualchoice.com/member-rights-responsibilities> or contact the health plan at 800-228-7111.

The Federal Flexible Spending Account Program - FSAFEDS

Healthcare FSA(HCFSA) - Reimburses an FSA participant for eligible out-of-pocket healthcare expenses (such as copayments, deductibles, over-the-counter drugs and medications, vision and dental expenses, and much more) for their tax dependents, and their adult children (through the end of the calendar year in which they turn 26).

FSAFEDS offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

Section 5. High and Standard Option Benefits

See page 14 for how our benefits changed this year. Page 93 and page 94 are a benefits summary of each option. Make sure that you review the benefits that are available under the option in which you are enrolled.

Summary of Benefits for the High Option 2026.....	95
Summary of Benefits for the Standard Option 2026.....	96

Section 5. High and Standard Option Benefits Overview

This Plan offers both a High and Standard Option. Both benefit packages are described in Section 5. Make sure that you review the benefits that are available under the option in which you are enrolled.

The High and Standard Option Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also, read the general exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about High and Standard Option benefits, contact us at (800) 235-7111 or on our website at www.qualchoice.com.

Each option offers unique features:

High Option

When you have the High Option, you can use both In-network and Out-of-network providers (See section 5 (i) for POS Benefits). In-Network providers will submit claims to us on your behalf and obtain any necessary preauthorization's. The High Option has a calendar year deductible for some services, a \$20 copayment for primary care physician office visits and a \$35 copayment for specialist office visits. **You have direct access to In-Network providers without a referral.** The High Option also features both a preferred retail and mail order prescription drug program.

Standard Option

The Standard Option does not have a calendar year deductible. Most services are subject to copayments (\$20 for primary care provider office visits and \$40 for specialist office visits). **You have direct access to see In-Network specialists without a referral.** You must use In-Network providers under the Standard Option to be eligible for benefits, except in circumstances such as emergency care. In-Network providers will submit claims to us on your behalf. Standard Option offers a preferred retail and mail order prescription drug program.

Section 5(a). Medical Services and Supplies Provided by Physicians and Other HealthCare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- **Under Standard Option**, there is no calendar year deductible and you must use In-Network providers in order to receive benefits.
- **Under High Option**, The calendar year deductible for In-Network Providers is \$500 per person (\$1,000 per Self Plus One enrollment, or \$1,000 per Self and Family Enrollment). The calendar year deductible for Out-of-Network Providers is \$1,000 per person (\$3,000 per Self Plus One enrollment, or \$3,000 per Self Plus Family enrollment). Deductibles for In-Network providers and Out-of-Network providers are accumulated separately. The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- **Under High Option**, the amounts allowed for Covered Services accessed under your Out-of-Network Benefits will be subject to a Plan allowance. You will be responsible for the applicable Cost-Sharing Amounts related to such Covered Services and the difference between the charges billed by the Out-of-Network provider and the Plan allowance.
- Please refer to Section 3, *How you receive benefits*, for a list of providers we consider to be primary care providers (under Standard Option) and other health care professionals.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including Medicare.
- The coverage and cost-sharing listed below are for services provided by physicians and other health care professionals for your medical care. See Section 5(c) for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).

Benefit Description	You Pay	
Note: The calendar year deductible applies to almost all High Option benefits in this Section. We say (“No deductible”) when the High Option deductible does not apply. There is no calendar year deductible under Standard Option.		
Diagnostic and treatment services	High Option	Standard Option
Professional services of physicians: • In physician's office • In an urgent care center • Office medical consultations • Second surgical opinion • At home	\$20 copayment for a primary care provider (No deductible) \$35 copayment for a specialist physician (No deductible)	\$20 copayment for a primary care provider \$40 copayment for a specialist physician
Inpatient professional services: • During a hospital stay • In a skilled nursing facility	Nothing	Nothing
Not Covered: • Inpatient private duty nursing • Standby physicians • Routine radiological and staff consultations required by hospital rules and regulations	All charges.	All charges.

Benefit Description	You Pay	
Telehealth services	High Option	Standard Option
Online and telephonic medical evaluation and management services:	\$20 copayment for a primary care physician (No deductible) \$35 copayment for a specialist physician (No deductible)	\$20 copayment for a primary care physician \$35 copayment for a specialist physician
Lab, X-ray and other diagnostic tests	High Option	Standard Option
Diagnostic tests provided, or ordered and billed by a physician, such as: - Blood tests or Laboratory test in the office - Urinalysis - Pathology - X-ray (Basic Imaging) - Bone density tests – screening or diagnostic (for women over age 50 and men over age 75)	20% of the Plan allowance after deductible	Nothing
Genetic testing <i>Note: Genetic Testing requires pre-authorization.</i>	20% of the Plan allowance after deductible	30% of the Plan allowance
Advanced imaging such as: - CT/CAT Scan, MRI, MRA, DEXA, PET, SPECT - Radiation therapy - Blood tests or laboratory tests in an outpatient or inpatient facility - Diagnostic mammograms <i>Note : See Section 5(c) for services billed by a facility, such as the outpatient department of a hospital.</i>	20% of the Plan allowance after deductible	30% of the Plan allowance
Preventive care, adult	High Option	Standard Option
Routine physical every year. The following preventive services are covered at the time interval recommended at each of the links below. - U.S. Preventive Services Task Force (USPSTF) A and B recommended screenings such as cancer, osteoporosis, depression, diabetes, high blood pressure, total blood cholesterol, HIV, and colorectal cancer. For a complete list of screenings go to the website at: https://www.uspreventiveservicestaskforce.org/uspstf/recommendation-topics/uspstf-a-and-b-recommendations - Individual counseling on prevention and reducing health risks	Nothing	Nothing

Preventive care, adult - continued on next page

[illegible]

[illegible]

Preventive care, children - continued on next page

Benefit Description	You Pay	
Preventive care, children (cont.)	High Option	Standard Option
- Family centered programs when medically identified to support obesity prevention and management by an in-network provider. - When anti-obesity medication is prescribed as indicated by the FDA obesity medication treatment guidelines. See Section 5(f) for cost share requirements for anti-obesity medications. - When Bariatric or Metabolic surgical treatment or intervention is indicated for severe obesity. See Section 5(b) for surgery requirements and cost share.	Nothing	Nothing
Maternity Care	High Option	Standard Option
Complete maternity (obstetrical) care such as: - Screening for gestational diabetes - Prenatal and Postpartum care - Delivery - Screening and counseling for prenatal and postpartum depression We cover up to three (3) ultrasounds without prior approval. All other ultrasounds must be preauthorized. This is the responsibility of your In-Network provider. If you use an Out-of-Network provider, it is your responsibility to tell your physician to call for the preauthorization. Notes: - We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury.	Nothing for prenatal care or the first postpartum care visit; \$20 per office visit for all postpartum care visits thereafter. Nothing for inpatient professional delivery services.	Nothing for prenatal care or the first postpartum care visit; \$20 per office visit for all postpartum care visits thereafter. Nothing for inpatient professional delivery services.
Breastfeeding and lactation support, supplies and counseling for each birth Notes: - You do not need to pre-certify your vaginal delivery; see page 51 for other circumstances, such as extended stays for you and your baby. - As part of your coverage, you have access to in-network certified nurse midwives, doulas, home nurse visits and board-certified lactation specialists during the prenatal and post-partum period. - You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will extend you inpatient stay if medically necessary.	Nothing	Nothing

Maternity Care - continued on next page

Benefit Description	You Pay	
Maternity Care (cont.)	High Option	Standard Option
• We cover routine nursery care of the newborn child during the covered portion of the mother's maternity stay. We will cover other care of an infant who requires non-routine treatment only if we cover the child under a Self Plus One or Self and Family enrollment. • We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. • Hospital services are covered under Section 5(c) and Surgical benefits Section 5(b). Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits. In addition, circumcision is covered at the same rate as for regular medical or surgical benefits.	Nothing	Nothing
<i>Not Covered:</i> • <i>No benefits for surrogate mothers</i>	<i>All Charges</i>	<i>All Charges</i>
Family Planning	High Option	Standard Option
A range of voluntary family planning services, without cost sharing, that includes at least one form of contraception in each of the categories in the HRSA supported guidelines. This list includes: • Voluntary female sterilization • Surgically implanted contraceptives • Injectable contraceptive drugs (such as Depo Provera) • Intrauterine devices (IUDs) • Diaphragms Note: See additional Family Planning and Prescription drug coverage in Section 5(f) or 5(f)(a), if applicable. Note: Your plan offers some type of voluntary female sterilization surgery coverage at no cost to members. The contraceptive benefit includes at least one option in each of the HRSA-supported categories of contraception (as well as the screening, education, counseling, and follow-up care). Any type of voluntary female sterilization surgery that is not already available without cost sharing can be accessed through the contraceptive exceptions process described below.	Nothing	Nothing

Family Planning - continued on next page

Benefit Description	You Pay	
Family Planning (cont.)	High Option	Standard Option
An exception process is available by using the General Prior Authorization Form (located on the QualChoice website www.qualchoice.com) or calling Customer Service to request coverage at no member cost share. Requests of this type for contraceptive coverage exceptions are processed within 24 hours. If you have difficulty accessing contraceptive coverage or other reproductive healthcare, you can contact contraception@opm.gov.	Nothing	Nothing
Contraceptive counseling on an annual basis Voluntary male sterilization	Nothing \$20 per office visit	Nothing \$30 per office visit
<i>Not covered:</i> • <i>Reversal of voluntary surgical sterilization</i> • <i>Genetic testing and counseling</i>	<i>All Charges.</i>	<i>All Charges.</i>
Infertility services	High Option	Standard Option
Diagnosis, evaluation, and treatment of infertility is covered except for services listed in the Not Covered section of this document. Covered Services: • Artificial Insemination (AI) • Intravaginal insemination (IVI) • Intrauterine insemination (IUI) • Intracervical insemination (ICI) Fertility preservation for iatrogenic infertility. • Procurement of sperm or eggs including medical, surgical, and pharmacy claims associated with retrieval. • Cryopreservation of sperm and mature oocytes • Cryopreservation storage costs for one (1) year • Infertility services after voluntary sterilization Note: Fertility preservation treatment is limited to persons facing iatrogenic infertility. Storage is limited to one (1) year and benefits are limited to one cycle of fertility preservation per covered person during the entire period the member is enrolled with QualChoice. Note: All infertility testing, fertility drugs (See Section 5(f), preservation and treatment related services require preauthorization.	20% of the Plan allowance after deductible	30% of the Plan allowance

Infertility services - continued on next page

Benefit Description	You Pay	
Infertility services (cont.)	High Option	Standard Option
Note: The category of infertility includes all services rendered to any enrollee which are intended to ascertain the cause of failure to conceive and carry a baby to full term and all services which are intended to treat any cause of failure or delay in conceiving a baby or failure to carry that baby to term.	20% of the Plan allowance after deductible	30% of the Plan allowance
Not covered: • Embryo Transfer (GIFT) • Embryo Transfer (ZIFT) • In Vitro Fertilization (IVF) • Intracytoplasmic sperm injection (ICSI)	<i>All Charges</i>	<i>All Charges</i>
Allergy care	High Option	Standard Option
• Testing and treatment • Allergy injections Note: Certain allergy testing requires preauthorization. For allergy injections only you owe nothing.	\$20 copayment for a primary care physician (No deductible) \$35 copayment for a specialist physician (No deductible)	\$20 copayment for a primary care physician \$40 copayment for a specialist physician
Allergy serum	Nothing	Nothing
Treatment therapies	High Option	Standard Option
Inpatient and outpatient treatment therapies: • Chemotherapy and radiation therapy Note: High dose chemotherapy in association with autologous bone marrow transplants is limited to those transplants listed under Organ/Tissue Transplants on pg. 45. • Respiratory and inhalation therapy • Cardiac rehabilitation following qualifying event/condition is provided for up to 36 sessions • Dialysis – hemodialysis and peritoneal dialysis • Intravenous (IV)/Infusion therapy – Home IV and antibiotic therapy • Applied behavior analysis (ABA) Children with autism spectrum • Growth hormone therapy (GHT) Note: Growth hormone is covered under the prescription drug benefit.	20% of the Plan allowance after deductible	30% of the Plan allowance

Treatment therapies - continued on next page

Benefit Description	You Pay	
Treatment therapies (cont.)	High Option	Standard Option
We only cover GHT when we preauthorize the treatment. We will ask you to submit information that establishes that the GHT is medically necessary. Ask us to authorize GHT before you begin treatment. We will only cover GHT services and related services and supplies that we determine are medically necessary. See <i>Other services under You need prior Plan approval for certain services</i> on page 18.	20% of the Plan allowance after deductible	30% of the Plan allowance
Physical and Occupational therapies	High Option	Standard Option
Habilitative and Rehabilitative services The following therapies are covered: - Physical therapy - Occupational therapy - Cardiac rehabilitation Note: We only cover therapy when a physician: - orders the care - identifies the specific professional skills the patient requires and the medical necessity for skilled services; and - indicates the length of time the services are needed. Benefits are limited to 60 visits or two consecutive months, per condition for physical, or occupational, or a combination of both.	\$20 copayment for services provided by a licensed physical or occupational therapist \$35 copayment for a specialist physician who is not a licensed physical or occupational therapist (No deductible)	\$20 copayment for services provided by a licensed physical or occupational therapist \$40 copayment for a specialist physician who is not a licensed physical or occupational therapist
<i>Not covered:</i> <i>Recreational or education therapy, and any related diagnostic testing except as provided by a hospital as part of a covered inpatient stay</i> <i>Maintenance or palliative rehabilitative therapy</i> <i>Exercise programs</i> <i>Hippotherapy (exercise on horseback)</i> <i>Services provided by a massage therapists</i>	<i>All Charges</i>	<i>All Charges</i>
Speech Therapy	High Option	Standard Option
Habilitative and Rehabilitative benefits are limited to 60 visits or two consecutive months per person, per calendar year. Note: Habilitative services require pre-authorization	\$20 copayment when provided by a licensed speech therapist \$35 copayment for a specialist physician who is not a licensed speech therapist(No deductible)	\$20 copayment when provided by a licensed speech therapist \$40 copayment for a specialist physician who is not a licensed speech therapist

Benefit Description	You Pay	
Hearing services (testing, treatment, and supplies)	High Option	Standard Option
For treatment related to illness or injury, including evaluation and diagnostic hearing tests performed by an M.D., D.O., or audiologist Note: For routine hearing screening performed during a child's preventive care visit, see Section 5(a) <i>Preventive care, children</i>. • External hearing aids • Implanted hearing-related devices, such as bone anchored hearing aids and cochlear implants Note: For benefits for the devices, see Section 5(a) <i>Orthopedic and prosthetic devices</i>.	\$35 copayment for a specialist physician (No deductible)	\$40 copayment for a specialist physician
<i>Not covered:</i> • <i>Hearing services that are not shown as covered</i>	<i>All Charges</i>	<i>All Charges</i>

Nothing for counseling for up to two quit attempts per year. Nothing for OTC and prescription drugs approved by the FDA to treat tobacco dependence.
Diabetes QualChoice offers health coaching, call a coach at (800) 235-7111 Note: Further diabetic education sessions will be covered if medically necessary according to our medical criteria and approved by a care manager	Nothing	Nothing
<i>Not covered:</i> <i>Marital, family, educational, or other counseling or training services when performed as part of an educational class or program</i> <i>Premenstrual syndrome (PMS), lactation, headache, eating disorder (except as described above), and other educational clinics</i> <i>Recreational or educational therapy, and any related diagnostic testing except as provided by a hospital as part of a covered inpatient stay</i> <i>Services performed or billed by a school or halfway house or a member of its staff</i>	<i>All charges</i>	<i>All charges</i>

Section 5(b). Surgical and Anesthesia Services Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- **Under Standard Option**, there is no calendar year deductible. You must use In-Network providers to receive benefits.
- **Under High Option**, the calendar year deductible for In-Network Providers is \$500 per person (\$1,000 per Self Plus One enrollment or \$1,000 per Self and Family enrollment). The calendar year deductible for Out-of-Network Providers is \$1,000 per person (\$3,000 per Self Plus One enrollment or \$3,000 per Self and Family enrollment). Deductibles for In-Network providers and Out-of-Network providers are accumulated separately. The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The services listed below are for the charges billed by a physician or other healthcare professional for your surgical care. See Section 5(c) for charges associated with a facility (i.e. hospital, surgical center, etc.).
- **YOU MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES:** Please refer to the prior approval and precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You Pay	
Note: The calendar year deductible applies to almost all benefits in this Section. We say “(No deductible)” when it does not apply.		
Surgical procedures	Standard	High
A comprehensive range of services, such as: • Operative procedures • Treatment of fractures, including casting • Routine pre-and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see Reconstructive surgery) • Surgical treatment of severe obesity (bariatric surgery) See policy detail at https://www.qualchoice.com/for-providers/clinical-and-payment-policies. • Insertion of internal prosthetic devices. See 5(a) for <i>Orthopedic and prosthetic devices</i> for device coverage information • Treatment of burns	\$100 copayment (No deductible)	\$200 copayment

Benefit Description	You Pay	
Surgical procedures (cont.)	Standard	High
Note: For female surgical family planning procedures see Family Planning Section 5(a). Note: For male surgical family planning procedures see Family Planning Section 5(a). Note: You must get prior approval for surgery for obesity. QualChoice offers Health coaching, call a coach at (800) 235-7111. For consideration for this surgery, several criteria must be met, such as: - Have presence of severe obesity that has persisted for at least 3 years - Be between the ages of 18-64; and - Have been evaluated by a psychiatrist; and - Has participated in clinically supervised nutrition and exercise program - Before surgery, you must participate in organized multidisciplinary surgical preparatory regimen of at least three months duration. See www.qualchoice.com for more policy detail regarding obesity (bariatric surgery). Note: Generally, we pay for internal prostheses (devices) according to where the procedure is done. For example, we pay Hospital benefits for a pacemaker and Surgery benefits for insertion of the pacemaker. See 5(a) – Orthopedic and prosthetic devices for device coverage information	\$100 copayment (No deductible)	\$200 copayment
<i>Not covered:</i> • <i>Reversal of voluntary sterilization</i> • <i>Routine treatment of conditions of the foot (see Section 5(a) Foot care)</i> • <i>Services of a standby surgeon, except during angioplasty or other high risk procedures when we determine standbys are medically necessary</i> • <i>Cosmetic Surgery</i> • <i>LASIK, INTACS, radial keratotomy and other refractive surgery</i>	<i>All Charges</i>	<i>All Charges</i>

Benefit Description	You Pay	
Reconstructive surgery	Standard	High
• Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: - the condition produced a major effect on the member's appearance; and - the condition can reasonably be expected to be corrected by such surgery • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are; protruding ear deformities, cleft lip, cleft palate, birth marks and webbed fingers and toes. • All stages of breast reconstruction surgery following a mastectomy, such as: - Surgery to produce a symmetrical appearance of breasts; - Treatment of any physical complications, such as lymphedemas; - Breast prostheses and surgical bras and replacements (see Section 5(a) <i>Prosthetic devices for coverage</i>) <i>Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</i>	\$100 copayment (No deductible)	\$200 copayment
<i>Not covered:</i> • <i>Cosmetic surgery – any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury (See Section 5(d) Accidental Injury)</i> • <i>Surgery for Sex-Trait Modification to treat gender dysphoria</i> <i>If you are mid-treatment under this Plan, within a surgical or chemical regimen for Sex-Trait Modification for diagnosed gender dysphoria, for services which you received coverage under the 2025 Plan brochure, you may seek an exception to continue care.</i>	<i>All charges</i>	<i>All charges</i>

We added “(No deductible)” to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies - what they all have in common is the need for quick action.

What to do in case of emergency

Go to the nearest urgent or emergency care facility.

Emergencies within our service area

We cover the cost of emergency health services an enrollee incurs while in the Service Area. An Enrollee is encouraged to seek services for emergency health services from In-Network Providers.

Emergencies outside of our service area

We cover the cost of emergency health services an enrollee incurs while traveling outside of the Service Area. An Enrollee may limit out-of-pocket expenses for emergency health services while outside of the Service Area to applicable Cost-Sharing Amounts by accessing such care from a QCNN provider.

We will deny coverage for routine and follow up care after Emergency health services unless a Network Provider in Arkansas performs the services.

Your identification card contains contact information for our QualChoice National Network (QCNN). Providers may be identified by calling the number on the identification card. The Enrollee must present their identification card to the servicing provider indicating participation in the QCNN in order to receive this benefit. Submit a Claim for Benefits directly to us for processing.

Dependents on the High Option plan who have notified us that they reside outside the Service Area may access the QCNN providers and facilities for Covered Services at the In-Network provider benefit level upon prior approval.

Benefit Description	You pay	
Emergency within our service area	Standard	High
- Emergency care at a doctor's office - Emergency care at an urgent care center	\$20 copayment for a primary care provider (No deductible) \$35 copayment for a specialist physician (No deductible)	\$20 copayment for a primary care provider \$40 copayment for a specialist physician
Emergency care as an outpatient at a hospital, including physician services Note: We waive the ER copay if you are admitted to the hospital. <i>Not Covered: Elective care or non-emergency care.</i>	\$150 copayment (No deductible)	\$150 copayment
Emergency outside our service area	Standard	High

Section 5(e). Mental Health and Substance Use Disorder Benefits

You need to get Plan approval for services and follow a treatment plan we approve in order to get benefits. When you receive services as part of an approved treatment plan, cost-sharing and limitations for Plan mental health and substance misuse disorder benefits are no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are utilizing In-Network providers, **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR HOSPITAL STAYS.** Please refer to Section 3 to be sure which services require precertification. If you utilize our National Network or an Out-of-Network provider it is **YOUR RESPONSIBILITY TO PREAUTHORIZE** any hospital stays.
- **Under Standard Option,** there is no calendar year deductible and you must use In-Network providers in order to receive benefits.
- **Under High Option,** the calendar year deductible for In-Network Providers is \$500 per person (\$1,000 per Self Plus One enrollment and \$1,000 per Self and Family enrollment). The calendar year deductible for Out-of-Network Providers is \$1,000 per person (\$3,000 per Self Plus One enrollment and \$3,000 per Self and Family enrollment). Deductibles for In-Network providers and Out-of-Network providers are accumulated separately. The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must get Plan approval of your treatment plan.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Benefit Description	You Pay After the calendar year deductible...	
Note: The calendar year deductible applies to almost all benefits in this Section. We say “(No deductible)” when it does not apply.		
Professional services	Standard	High
When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance use disorder treatment practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.	Your cost-sharing responsibilities are no greater than for other illnesses or conditions.	Your cost-sharing responsibilities are no greater than for other illnesses or conditions.

Benefit Description	You Pay After the calendar year deductible...	
Professional services (continued)	Standard	High
Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include: • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of substance use disorders including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy	\$20 copayment for a primary care provider (No deductible) \$35 copayment for a specialist physician (No deductible)	\$20 copayment for a primary care provider (No deductible) \$40 copayment for a specialist physician (No deductible)
Diagnostics	Standard	High
• Outpatient diagnostic tests provided and billed by a licensed mental health and substance use disorder treatment practitioner • Outpatient diagnostic tests provided and billed by a laboratory, hospital or other covered facility • Inpatient diagnostic tests provided and billed by a hospital or other covered facility	\$20 copayment for a primary care provider(No deductible) \$35 copayment for a specialist physician (No deductible) \$100 copayment (No deductible) Nothing	\$20 copayment for a primary care provider (No deductible) \$40 copayment for a specialist physician (No deductible) \$100 copayment (No deductible) Nothing
Inpatient hospital or other covered facility	Standard	High

Outpatient hospital or other covered facility	Standard	High
Outpatient services provided and billed by a hospital or other covered facility • Services in approved treatment programs, such as partial hospitalization, half-way house, residential treatment, full-day hospitalization, or facility-based intensive outpatient treatment	\$100 copayment (No deductible)	\$200 copayment

Section 5(f). Prescription Drug Benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on page 62.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Your prescribers must obtain prior approval/authorizations for certain prescription drugs and supplies before coverage applies. Prior approval/authorizations must be renewed periodically.
- Federal Law prevents the pharmacy from accepting unused medications.
- **Under Standard Option**, there is no calendar year deductible for prescribed drugs and medications.
- **Under High Option**, there is no calendar year deductible for prescribed drugs and medications.
- Some prescription drugs have additional requirements for coverage.
 - Some prescription drugs require prior authorization. In this case, your physician must provide the clinical information required to establish the medical necessity of the prescription drug before it would be covered.
 - Some prescription drugs are on step therapy. In these cases, you may be required to try a drug from one category or chemical group that is aimed at the same treatment response before using a drug from another category. Your pharmacist and your physician will be able to assist you with step therapy issues.
 - There are some prescription drugs for which there are limitations on the number of doses that may be dispensed over a specified period of time. Such limits are generally placed either because taking higher cumulative amounts is detrimental or because there is a larger dose size that could be used more efficiently.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or older.
- **The exclusion for hormone treatments for Sex-Trait Modification for gender dysphoria** only pertains to chemical and surgical modification of an individual's sex traits (including as part of "gender transition" services). **We do not exclude coverage for entire classes of pharmaceuticals**, e.g. GnRH agonists may be prescribed during IVF, for reduction of endometriosis or fibroids, and for cancer treatment or prostate cancer/tumor growth prevention.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician or dentist, and in states allowing it, licensed/certified providers with prescriptive authority prescribing within their scope of practice must prescribe your medication.
- **Where you can obtain them.** You may fill the prescription at a In-Network pharmacy, a Out-of-Network pharmacy, or by mail.
 - In-Network pharmacies will process your prescription in accordance with the governing contract, requesting the appropriate copayment. You may learn which pharmacies are In-Network by visiting our website at www.qualchoice.com.
 - We have a contracted mail-order pharmacy that will fill up to a 90-day supply of your maintenance medications. One copayment will be charged for each 31-day supply and 3 copayments for a 90-day supply.
- **We use a formulary.** Drugs are placed on the formulary in a way that reflects their therapeutic value and their cost. With the exception of medications excluded from coverage, brand name medications not listed in the comprehensive formulary document will not be covered.

Tier I: Includes generic drugs

Tier II: Includes formulary or preferred brand-name drugs, may include some generics not included in Tier I.

Tier III: Includes non-preferred brand-name drugs

Many generic medications are covered at Tier I, even though they may not be listed; generic medications covered at Tier II or Tier III are generally listed as such. You will pay less for your medication if you and your physician can select medications from Tier I or Tier II. Please see our online formulary and drug pricing search tool at the following www.qualchoice.com. To order a prescription drug brochure, call 800-235-7111.

- **These are the dispensing limitations.** Your prescriptions will be filled for a 31-day supply for a single copayment. If your prescription is for more than a 31-day supply, more than one copayment will be charged. We also have dispensing limits in other situations:
 - **When a medication comes in multiple dose sizes,** we may limit the number of pills available at the lower dose to 31 per fill. If you require more medication, it is more appropriate in these situations for you to have the higher dose pill and continue to take only one pill a day.
 - **When a medication may be over-used** resulting in adverse effects, we may limit the total dose to be taken on a monthly or semi-monthly basis. This is true of a number of medications for migraine headaches, which, when taken in excessive dose, actually can cause more migraine headaches, rather than help. It may also be true for other medications.
- **A generic equivalent will be dispensed if it is available,** unless your physician specifically requires a name brand. If you receive a covered name brand drug when a FDA approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic.
- **Why use generic drugs?** Generic drugs are licensed by the FDA as generic versions of a branded medication when the patent protection rights on the branded medication run out. Generic medications are required to have the same strength, consistency and effectiveness as the brand name medication, however, they are much less expensive. For this reason, your plan encourages you to use generic medications whenever you can – they work just as well and they cost you less in copayments; and because they also cost the plan less, it helps to keep your premium costs down.
- **When you do have to file a claim.** You may obtain a claim form by downloading it from our website at www.qualchoice.com or by requesting one from our Customer Service Department 800-235-7111. Complete the form, attach the documentation, and mail it to our pharmacy administrator at the address on the form. Reimbursement generally takes 4-6 weeks.

Contraceptives drugs and devices as listed in the Health Resources and Services Administration site https://www.hrsa.gov/women-guidelines. Contraceptive coverage is available at no cost to FEHB members. The contraceptive benefit includes at least one option in each of the HRSA supported categories of contraception (as well as the screening, education, counseling, and follow-up care). Any contraceptive that is not already available without cost sharing on the formulary can be accessed through the contraceptive exceptions process described below. • Over-the-counter and prescription drugs approved by the FDA to prevent unintended pregnancy. • If your provider prescribes a non-covered contraceptive prescription drug, the provider may ask for an exception to the formulary by calling 833-616-0136 or faxing a QualChoice General Pre-authorization Form to 888-904-1149. • Reimbursement for over-the counter contraceptives can be submitted in accordance with Section 7. • If you have difficulty accessing contraceptive coverage or other reproductive healthcare you can contact contraception@opm.gov Note: The "morning after pill" is considered preventive service under contraceptives with no cost to the member if prescribed by a physician and purchased at a network pharmacy. Note: For additional Family Planning benefits see Section 5(a). Note: Over-the-counter and appropriate prescription drugs approved by the FDA to treat tobacco dependence are covered under the tobacco Cessation Educational Classes and Programs in Section 5(a). <i>Not Covered</i> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Drugs to enhance athletic performance</i> • <i>Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies</i> • <i>Nonprescription medications unless specifically indicated elsewhere</i> • <i>Drugs prescribed in connection with Sex-Trait Modification for treatment of gender dysphoria</i>	Nothing	Nothing

Section 5(g). Dental Benefits

Important things you should keep in mind about these benefits:

Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.

If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.

- **Under Standard Option**, there is no calendar year deductible.
- **Under High Option**, the calendar year deductible is \$500 per person (\$1,000 per Self Plus One or \$1,000 for Self and Family). The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.

Plan dentists must provide or arrange your care.

Dental benefits are limited to accidental injury to sound, natural teeth when services are received within 72 hours of the initial injury as described in the 'Accidental Injury Benefit' section.

We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.

Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Accidental injury benefit	You Pay	
Accidental injury benefit	Standard	High
We will provide coverage if an Enrollee has an Accidental Injury that damages a sound, natural tooth. Treatment must be pre-authorized. Benefits are subject to a maximum limit (\$2,000) per enrollee per accident. Dental services must be received from a Doctor of Dental Surgery (“D.D.S.”) or a Doctor of Medical Dentistry (“D.M.D.”). The damage must be severe enough that initial contact with a physician or dentist occurred within 72 hours of the accident. The physician or dentist must certify that the injured tooth was: • A virgin or un-restored tooth; or • A tooth that has no decay, no filling on more than two surfaces, no gum disease associated with any bone loss, no root canal therapy, is not a dental implant and functions normally in chewing and speech. Dental services for final treatment to repair the damage must be started within three months of the original accident date and completed within 12 months of the original accident date.	\$35 copayment for a specialist physician (No deductible)	\$40 copayment for a specialist physician

Accidental injury benefit - continued on next page

Accidental injury benefit	You Pay	
Accidental injury benefit (cont.)	Standard	High
Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered an “accident”. Benefits are not available for repairs to teeth that are injured as a result of such activities. The following limitations for treatments also apply to repair of damaged teeth: • Only the sound and natural tooth or teeth avulsed or extracted as a direct result of the Accidental Injury will be considered for replacement; • Orthodontic services are limited to the stabilization and re-alignment of the accident-involved teeth to their pre-accident position; reimbursement for this service will be based upon a Plan allowance per tooth;	\$35 copayment for a specialist physician (No deductible)	\$40 copayment for a specialist physician
Dental Benefits	Standard	High
<i>We have no other dental benefits.</i>	<i>All Charges</i>	<i>All Charges</i>
Dental Benefits - Not Covered	Standard	High
• Double abutments are not covered • Any health intervention related to dental caries or tooth decay is not covered • Removal of teeth is not covered • Dental implants of titanium osseointegrated fixtures or fixtures of any other material are not covered	All Charges	All Charges

Section 5(h). Wellness and Other Special Features

Feature	Description
Flexible benefits option	Under the flexible benefits option, we determine the most effective way to provide services. • We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).
QCARE	The QCARE program is designed to give members the tools and information needed to help them better understand and manage their health. Services include: • Education and information on diet, exercise and other topics that are important for your health • Contact with your Care Manager at regular intervals to discuss your medication and other health needs or concerns • The assurance that your health information will be kept confidential, and will not be shared with anyone other than those you request <i>Care Coach</i> This QualChoice representative serves as a support system to you and your family, providing information and guidance concerning your medical condition, treatment plans and available options. <i>Better Health Advisor</i> Got questions? Get answers. This tool lets you compare hospitals, learn about costs and find out more about procedures, chronic diseases and pharmaceuticals. <i>Teladoc</i> Access a Physician via electronic device such as a cell phone or a computer.
	• Extensive online services provided to encourage healthy behavior at www.qualchoice.com • Take our personal health assessment and identify your health risks

Health Promotion	• We offer both eFitness and eDietitian to answer online diet and exercise questions • Our health coaches can assist you in developing an action plan to make positive lifestyle choices • We offer online journals so you can track your progress
Childhood Health and Activity	• Learn about ways to keep your children healthy and active through material our health coaches can provide • We also utilize material through www.Choosemyplate.gov that promotes healthy nutrition for children and preschoolers including interactive online games and coloring sheets encouraging healthy food selection • Our health coaches will work with parents to plan healthy menus and build a healthy recipe selection
Special Additions Maternity Program	Special Additions Maternity Program is especially designed to provide you with guidance and information during your pregnancy. When you enroll in the program you will receive informative education material that will keep you up to date on what to expect during your pregnancy.

Non-FEHB Benefits Available to Plan Members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact the Plan at, 800-235-7111 or visit their website at www.qualchoice.com.

Vision Discount Program All FEHB members who enroll in a QualChoice plan will be issued a card from Superior Vision which allows FEHB members to access Superiors' national network of providers and obtain vision services for discounted costs.

Section 5(i). Point of Service Benefits

Facts about this Plan's POS option (Out-of-Network)/High Option Only

Note: The Standard Option does not have point-of-service benefits.

Under the point-of-service option, you may choose to obtain covered health services from Out-of-Network providers and hospitals whenever you need care. When you obtain covered non-emergency medical treatment from an Out-of-Network provider, you are subject to the deductible, coinsurance and out-of-pocket maximum stated below.

What is covered

Under the point-of-service benefit, you are covered for medically necessary, covered health services when you self-refer to an Out-of-Network provider. You must be enrolled in the High Option. You may receive the medically necessary covered health services listed below, except for the services listed under “What is not covered”. If you choose to use the point-of-service benefit, you will receive a lower allowance than when the High Option In-Network benefit is utilized. In addition, the Out-of-Network provider may bill you for any amounts not paid by the Plan.

- Medical Office visits
- Preventive Health Services, including Well Baby and Well Child Care, routine periodic preventive health examinations, immunizations, allergy testing and treatment, and allergy serum.
- X-ray and Laboratory services
- Acute Inpatient Hospital Services
- Maternity, Pregnancy and Newborn Care
- Inpatient Physician Services and Consultations
- Outpatient Hospital services
- Outpatient Surgery
- Home Health Care
- Skilled Nursing Facility Services
- Mental Health Services
- Inpatient Chemical Dependency Services
- Inpatient Alcohol Treatment
- Durable Medical Equipment and Prosthetic Devices
- Orthopedic Appliances
- Outpatient Rehabilitative Therapy
- Oral Surgery

Emergency Benefits

Medically necessary emergency care (even if received from an Out-of-Network provider) is always covered as an In-Network benefit. (See Section 5(d)).

Plan Precertification

When utilizing the POS benefit, we continue to require that you obtain prior medical review for the same services for which prior medical review is required under the High Option In-Network benefit. When utilizing Out-of-Network providers, it is recommended that you advise the provider to contact the Plan for prior medical review before services are provided. If services are deemed not medically necessary, you will be responsible for the cost of services rendered.

Deductible

When the point-of-service benefit is utilized, you pay a \$1,000 deductible per member per calendar year or a \$3,000 deductible per family per calendar year for all covered health services received from Out-of-Network providers. This deductible is separate from the deductible that applies under the High Option In-Network benefit, and will apply even if you have met your In-Network benefit deductible. Coinsurance and copayments you pay under either the Out-of-Network benefit or the In-Network benefit cannot be used to meet your calendar year deductible under the point-of-service benefit.

Coinsurance

If you use a provider who has not contracted with us, you will be responsible for the point-of-service deductible (described above), 40% of the maximum plan allowance, and all charges above the maximum plan allowance. Copayments do not apply to point-of-service benefits.

For Out-of-Network health care professionals, laboratories, urgent care facilities, ambulatory surgical centers and durable medical equipment, your 40% coinsurance amount is determined from our fee schedule for Out-of-Network providers. Our fee schedule for Out-of-Network providers is based on the In-Network maximum allowable payment. For Out-of-Network hospitals and other inpatient facilities, your 40% coinsurance is based on our allowance, which is determined by the nature of the services provided, the type of facility in which they were provided, and maximum allowable payment determination.

Please note that hospital charges, sometimes called facility charges, do not include any charges for doctors' services.

Out-of-Pocket Maximum

After your point-of-service deductible and coinsurance total \$13,200 per person per calendar year or \$26,400 per family per calendar year, you do not have to pay any more for covered services under the POS benefit. Charges over the fee allowance are not applied to the out-of-pocket maximum and you may be billed for these amounts.

What is Not Covered

Read Sections 5 and 6 about services that are not covered under the Plan.

Prescriptions are covered under the normal High and Standard Option benefit, see section 5(f).

Genetic testing is not covered under the Point of Service (POS) Out-of-Network benefit.

Note: Charges in excess of our Maximum Plan Allowance are not covered under the High Option/POS Out-of-Network benefit.

How to Obtain Benefits

If you receive services from an Out-of-Network provider, the provider may file a claim directly with us. If the provider files a claim, payment generally will be made directly to the provider. However, we may pay you, even if the provider filed the claim. In that case, you are responsible for paying the provider. If the provider requires you to pay up front and will not submit a claim for you, you should submit a claim to us for reimbursement. See pg. 74 for instructions on how to file a claim. You must submit a complete claim form by December 31st of the year after the year you received the service. Either OPM or we can extend this deadline if you show that Government administrative operations or legal incapacity prevented you from filing on time.

Section 6. General Exclusions – Services, Drugs and Supplies We Do not Cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 *When you need prior Plan approval for certain services*.**

We do not cover the following:

- Care by non-Plan providers except for Out-of-Network Point of Service benefits and for authorized referrals or emergencies (see *Emergency services/accidents*).
- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Services or supplies we are prohibited from covering under the Federal Law.
- Chemical or surgical modification of an individual's sex traits through medical interventions (to include "gender transition" services), other than mid-treatment exceptions, see Section 3. How You Get Care.
- Any benefits or services required solely for your employment are not covered by this plan.

Section 7. Filing a Claim for Covered Services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan providers, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers or seek Out-of-network services through the High Option Point of Service Plan. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file HIPAA compliant electronic claims for you. Provider must file on the form CMS-1500, Health Insurance Claim Form. In cases where a paper claim must be used, the facility will file on the UB-04 form. For claims questions and assistance, contact us at 800-235-7111 or at our website at www.qualchoice.com.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name, date of birth, address, phone number and ID number
- Name and address of the provider or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

Prescription Drugs

Submit your claims to: QualChoice P.O. Box 25610, Little Rock, AR 72221, Little Rock, AR 72211

Other supplies or services

Submit your claims to: QualChoice P.O. Box 25610, Little Rock, AR 72221, Little Rock, AR 72211

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations, of Government or legal incapacity, provided the claim was submit your claim as soon as reasonably possible. Once we pay benefits, there is a five year limitation on the reissuance of uncashed checks.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

Authorized Representative

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a healthcare professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10% of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the healthcare provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes

Records

Keep a separate record of the medical expenses of each covered family member as deductibles and maximum allowances apply separately to each person. Save copies of all medical bills, including those you accumulate to satisfy a deductible. In most instances they will serve as evidence of your claim. We will not provide duplicate or year-end statements.

Deadline for filing your claim

Send us all the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service. If you could not file on time because of Government administrative operations or legal incapacity, you must submit your claim as soon as reasonably possible. Once we pay benefits, there is an 18 month limitation on the re-issuance of uncashed checks.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.

Section 8. The Disputed Claims Process

You may appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information or to inquire about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please call your plan's customer service representative at the phone number found on your enrollment card, plan brochure, or website.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claims, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing QualChoice ATTN: Appeals Department P. O. Box 25610, Little Rock, AR 72221 or calling 800-235-7111.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claims, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgement (i.e., medical necessity, experimental/investigational), we will consult with a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgement and who was not involved in making the initial decision.

Our reconsideration will not take into account the initial decision. The review will not be conducted by the same person, or their subordinate, who made the initial decision.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Description for instructions

1

Ask us in writing to reconsider our initial decision. You must:

- a) Write to us within 6 months from the date of our decision; and
- b) Send your request to us at: QualChoice, PO Box 25610, Little Rock, AR 72221; and
- c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
- d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms; and
- e) Include your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.

2

In the case of a post-service claim, we have 30 days from the date we receive your request to:

- a) Pay the claim or
- b) Write to you and maintain our denial or

- c) Ask you or your provider for more information

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employees Insurance Operations, FEHB 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms
- Copies of all letters you sent to us about the claim
- Copies of all letters we sent to you about the claim and
- Your daytime phone number and the best time to call
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision or notify you of the status of OPM's review within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to file a lawsuit, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not file a lawsuit until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at 800-235-7111. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at 202-606-0737 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a family member is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation Programs if you are receiving Workers' Compensation benefits.

Section 9. Coordinating Benefits with Medicare and Other Coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays healthcare expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit our website at www.qualchoice.com.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan processes the benefit, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

TRICARE and CHAMPVA

TRICARE is the healthcare program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Workers’ Compensation

Every job-related injury or illness should be reported as soon as possible to your supervisor. Injury also means any illness or disease that is caused or aggravated by the employment as well as damage to medical braces, artificial limbs and other prosthetic devices. If you are a federal employee, ask your supervisor to authorize medical treatment by use of form CA-16 before you obtain treatment. If your medical treatment is accepted by the Dept. of Labor Office of Workers' Compensation (OWCP), the provider will be compensated by OWCP. If your treatment is determined not to be job-related, we will process your benefit according to the terms of this plan, including use of in-network providers. Take form CA-16 and form OWCP-1500/HCF-1500 to your provider, or send it to your provider as soon as possible after treatment, to avoid complications about whether your treatment is covered by this plan or by OWCP.

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar federal or state agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar state-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these state programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the state program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, state, or federal government agency directly or indirectly pays for them.

When others are responsible for injuries

We are entitled to reimbursement to the extent of the benefits we have paid or provided in connection with your injury or illness. However, we will cover the cost of treatment that exceeds the amount of the payment you received.

Reimbursement to us out of the payment shall take first priority (before any of the rights of any other parties are honored) and is not impacted by how the judgment, settlement, or other recovery is characterized, designated, or apportioned. Our right of reimbursement is not subject to reduction based on attorney fees or costs under the "common fund" doctrine and is fully enforceable regardless of whether you are "made whole" or fully compensated for the full amount of the damages claimed.

We may, at our option, choose to exercise our right of subrogation and pursue recovery from any liable party as successor to your rights.

If you do pursue a claim or case related to your injury or illness, you must promptly notify us and cooperate with our reimbursement or subrogation efforts.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.gov or by phone at 877-888-3337, (TTY 877-889-5680), you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, X-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This plan does not cover these costs.

When You have Medicare	For more detailed information on "What is Medicare?" and "Should I Enroll in Medicare?" please contact Medicare at 1-800-MEDICARE (1-800-644-4227), (TTY 1-877-486-2048) or at www.medicare.gov .
The Original Medicare Plan (Part A or Part B)	The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare. When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan. When we are the primary payor, we process the claim first. When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 800-235-7111 or see our website at www.qualchoice.com. We waive some costs if the Original Medicare Plan is your primary payor - We will waive some out-of-pocket costs as follows: When Medicare Part A is primary - • Under High Option, we will waive our: - Inpatient hospital per-day copayments; and - Inpatient Non-member hospital coinsurance. • Under Standard Option, we will waive our: - Inpatient hospital per-day copayments. When Medicare Part B is primary - • Under High Option, we will waive our: - Calendar year deductible - Coinsurance for services and supplies provided provided by physicians and other covered health care professionals (inpatient and outpatient, including mental conditions and substance abuse care); - Copayments for office visits to In-network physicians and other health care professionals; - Outpatient facility coinsurance for medical, surgical, preventive, and mental conditions and substance abuse care; and - Copayments for professional care provided in an emergency room • Under Standard Option, we will waive our: - Copayments and coinsurance for care received from covered professional and facility providers. Note: We do not waive benefit limitations, such as the the 40-visit limit for home health visits. In addition, we do not waive any copayments for prescription drugs.

Please review the following examples which illustrates your cost share if you are enrolled in Medicare Part B. If you purchase Medicare Part B, your provider is in our network and participates in Medicare, then we waive some costs because Medicare will be the primary payor.

Benefit Description: Deductible

High Option you pay **without** Medicare: \$500 Self Only/\$1,000 Self Plus One or Self and Family

Standard Option you pay **without** Medicare: N/A

High Option you pay **with** Medicare: \$500 Self Only/\$1,000 Self Plus One or Self and Family

Standard Option you pay **with** Medicare: N/A

Benefit Description: Out-of-Pocket Maximum

High Option you pay **without** Medicare: \$5,000 Self Only/\$10,000 Self Plus One or Self and Family

Standard Option you pay **without** Medicare: \$5,000 Self Only/\$11,000 Self Plus One or Self and Family

High Option you pay **with** Medicare: \$5,000 Self Only/\$10,000 Self Plus One or Self and Family

Standard Option you pay **with** Medicare: \$5,000 Self Only/\$11,000 Self Plus One or Self and Family

Standard Option you pay **without** Medicare: N/A

High Option you pay **with** Medicare: N/A

Standard Option you pay **with** Medicare: N/A

You can find more information about how our plan coordinates benefits with Medicare at www.qualchoice.com.

Tell us about your Medicare coverage

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

Medicare Advantage (Part C)

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 800-MEDICARE (800-633-4227), (TTY: 800-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers).

However, we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

Medicare prescription drug coverage (Part D)

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare Prescription Drug Plan Employer Group Waiver Plan (PDP EGWP)

This Plan does not offer a Medicare Prescription Drug Plan Employer Group Waiver Plan (PDP EGWP).

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation		✓ *
9) Are a Federal employee receiving disability benefits for six months or more	✓	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of Terms We Use in This Brochure

Accidental Injury	Means a bodily injury happening unexpectedly and taking place not according to the usual course of events (for example an automobile accident), and which is the direct cause of the loss, independent of disease or bodily infirmity. Accidental Injury to teeth does not include any damage caused by chewing or biting any object.
Admission	The period from entry (admission) as an inpatient into a hospital (or other covered facility) until discharge. In counting days of inpatient care, the date of entry and the date of discharge count as the same day.
Assignment	An authorization by you (the enrollee or covered family member) that is approved by us (the Carrier), for us to issue payment of benefits directly to the provider. ·We reserve the right to pay you directly for all covered services. Benefits payable under the contract are not assignable by you to any person without express written approval from us, and in the absence of such approval, any assignment shall be void. ·Your specific written consent for a designated authorized representative to act on your behalf to request reconsideration of a claim decision (or, for an urgent care claim, for a representative to act on your behalf without designation) does not constitute an Assignment. ·OPM's contract with us, based on federal statute and regulation, gives you a right to seek judicial review of OPM's final action on the denial of a health benefits claim but it does not provide you with authority to assign your right to file such a lawsuit to any other person or entity. Any agreement you enter into with another person or entity (such as a provider, or other individual or entity) authorizing that person or entity to bring a lawsuit against OPM, whether or not acting on your behalf, does not constitute an Assignment, is not a valid authorization under this contract, and is void.
Benefits	Means reimbursement or payments for health care available to Enrollees covered under this Plan.
Benefits Summary	Means a document containing specific information relating to your coverage and Cost-Sharing Amounts under this Plan. The information may include amounts for deductible, co-payments, coinsurance, out-of-pocket limits and lifetime maximum benefits as well as visit and day limit maximums for limited services.
Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application. If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial: • Routine care costs - costs for routine services such as doctor visits, lab tests, X-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy • Extra care costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care

- Research costs - costs related to conducting the clinical trial such as research, physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This plan does not cover these costs.

Coinsurance	See Section 4, page 21
Copayment	See Section 4, page 21
Cost-sharing	See Section 4, page 21
Covered services	Care we provide benefits for, as described in this brochure. Services or supplies for which benefits are available (i.e., payments may be made) as described in this brochure. Covered services do not include services or supplies and care excluded or which do not meet the definition of "medically necessary" in this section.
Custodial care	Treatment or services, regardless of who recommends them or where they are provided, that a person not medically skilled could perform safely and reasonably, or that mainly assist the patient with daily living activities, such as: 1. Personal care, including help in walking, getting in and out of bed, bathing, eating (by spoon, tube, or gastrostomy), exercising, or dressing; 2. Homemaking, such as preparing meals or special diets; 3. Moving the patient; 4. Acting as companion or sitter; 5. Supervising medication that can usually be self-administered; or known as Long Term Care. We, our medical staff, and/or an independent medical review determine which services are custodial care.
Deductible	See Section 4, page 21
Emergency	A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies - what they all have in common is the need for quick action.
Experimental or investigational services	A drug, device, or biological product is experimental or investigational if the drug, device, or biological product cannot be lawfully marketed without approval of the U.S. Food and Drug Administration (FDA); and, approval for marketing has not been given at the time it is furnished. Note: Approval means all forms of acceptance by the FDA. A medical treatment or procedure, or a drug, device, or biological product, is experimental or investigational if: 1. Reliable evidence shows that it is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis; or 2. Reliable evidence shows that the consensus of opinion among experts regarding the drug, device, or biological product or medical treatment or procedure, is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis. Reliable evidence shall mean only: • Published reports and articles in the authoritative medical and scientific literature; • The written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, or biological product or medical treatment or procedure; or

- The written informed consent used by the treating facility or by another facility studying substantially the same drug, device, or biological product or medical treatment or procedure.

QualChoice has a Medical Review department that determines whether a claimed service is experimental or investigational after consulting with internal or external experts or nationally recognized guidelines in a particular field or specialty.

For more detailed information, contact QualChoice customer service at (800) 235-7111.

Healthcare professional

A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.

Infertility

The failure to conceive or produce conception through egg-sperm contact and carry a baby to term after 12 months for individuals under age 35 and 6 months for individuals age 35 and older. Infertility may also be established through an evaluation based on medical history and diagnostic testing.

Maintenance Medications

“Maintenance Medications” are defined as follows:

A. A drug that is usually administered continuously, rather than intermittently, and for longer than 90 days, typically for the remainder of one’s life. This means the patient taking the medication on a scheduled basis year round and not as needed or seasonally.

B. A drug in which the most common use is to treat a chronic disease state when a therapeutic endpoint cannot be determined. Therapy with the drug is not considered curative.

C. A drug that has a low probability for dosage or therapy changes due to side effects, serum drug concentration monitoring, or therapeutic responses over a course of prolonged therapy.

D. While certain drugs may sometimes be used on a chronic basis, the drug will only meet the above definition if it is most commonly used in this way. The most common examples of maintenance medications are medicines used to treat high blood pressure, diabetes, high cholesterol, or hypothyroidism.

E. Drugs in the following classes are considered to be Maintenance Medications. If your medication falls in one of these categories you will be able to get a 90 days supply either from your retail pharmacy (if it participates in the 90-day network) or from the mail order pharmacy. You will need a prescription from your doctor with enough refills to allow 90 days. One Co-payment will be charged for each 31 day supply.

i. Alzheimer Disease medication

ii. Antipsychotic medication

iii. Antivirals for HIV

iv. Asthma and other respiratory medication

v. Benign Prostatic Hyperplasia (BPH) medication

vi. Blood pressure medication (e.g., beta blockers, calcium channel blockers, diuretics, ACE-inhibitors)

vii. Cholesterol lowering drugs

viii. Diabetes medication

ix. Glaucoma medication

x. Heart medication

- xi. Organ transplant medication
- xii. Osteoporosis medication
- xiii. Parkinson's Disease medication
- xiv. Potassium supplements
- xv. Seizure medication
- xvi. Thyroid medication

Medical necessity

We determine whether services, drugs, supplies, or equipment provided by a hospital or other covered provider are:

1. Appropriate to prevent, diagnose, or treat your condition, illness, or injury;
2. Consistent with standards of good medical practice in the United States;
3. Not primarily for the personal comfort or convenience of the patient, the family, or the provider;
4. Not part of or associated with scholastic education or vocational training of the patient; and
5. In the case of inpatient care, cannot be provided safely on an outpatient basis.

The fact that one of our covered providers has prescribed, recommended, or approved a service or supply does not, in itself, make it medically necessary or covered under this Plan.

Plan allowance

Plan allowance is the amount we use to determine our payment and your coinsurance or deductible (if applicable) for covered services. Plans determine their allowances in different ways. We determine our allowance by our contracted rate with In-Network providers.

(High Option/POS Only) You may seek Covered Services directly from a physician or other provider who is not in the Network under the Point of Service (POS) benefit if you are enrolled in the High Option. Services provided by an Out-of-Network Provider will be covered and reimbursed under your Out-of-Network Benefits unless prior authorization for coverage as an In-Network Benefit is received from us. The amounts allowed for Covered Services accessed under your Out-of-Network Benefits will be subject to the Maximum Allowable Payment. You will be responsible for the applicable Cost-Sharing Amounts related to such Covered Services and the difference between the charges billed by the Out-of-Network Provider and the Maximum Allowable Payment. This does not apply to emergency services In-Network or Out-of-Network. They will always be covered under the In-Network emergency benefit.

You should also see Important Notice About Surprise Billing - Know Your Rights in Section 4 that describes your protections against surprise billing under the No Surprises Act.

Post-service claims

Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

Pre-service claims

Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.

Reimbursement	A carrier's pursuit of a recovery if a covered individual has suffered an illness or injury and has received, in connection with that illness or injury, a payment from any party that may be liable, any applicable insurance policy, or workers' compensation program or insurance policy, and the terms of the carrier's health benefits plan require the covered individual, as a result of such payment, to reimburse the carrier out of the payment to the extent of the benefits initially paid or provided. The right of reimbursement is cumulative with and not exclusive of the right of subrogation.
Specialty Drugs	Specialty Drugs are defined as specialized therapies developed for chronic, complex illnesses and: • may have special handling, storage, shipping requirements • may require nursing services or special programs to support patient compliance • require disease-specific treatment programs • may have limited distribution requirements • may be injections, infusions, or oral products • are high cost, typically > \$500 per treatment episode
Subrogation	A carrier's pursuit of a recovery from any party that may be liable, any applicable insurance policy, or a workers' compensation program or insurance policy, as successor to the rights of a covered individual who suffered an illness or injury and has obtained benefits from that carrier's health benefits plan.
Surprise bill	An unexpected bill you receive for • emergency care - when you have little or no say in the facility or provider from whom you receive care, or for • non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for • air ambulance services furnished by nonparticipating providers of air ambulance services.
Urgent care claims	A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts: • Waiting could seriously jeopardize your life or health; • Waiting could seriously jeopardize your ability to regain maximum function; or • In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Urgent care claims usually involve Pre-service claims and not Post-service claims. We will evaluate whether or not a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine. If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at (800) 235-7111. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.
Us/We	Us and We refer to QualChoice.
You	You refers to the enrollee and each covered family member.
