## Medicare Plan F (Part A) – Hospital Services | Per Benefit Period

\*A benefit period begins on the first day you receive services as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

\*\*This high deductible plan pays the same benefits as Plan F after you have paid a calendar year deductible in the amount of \$2,490. Benefits from the high deductible Plan F will not begin until out-of-pocket expenses reach \$2,490. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy.
