

ESSENTIAL FORMULARY

2018 Comprehensive Medication List

Effective Date: June 1, 2018

This document has information about the drugs covered in your plan. Please read carefully.

How We Develop Our Formulary

QualChoice uses a Pharmacy and Therapeutics Committee made up of practicing doctors, pharmacists, and nurses to make sure our drug list is clinically sound and gives the best value to our members. This committee reviews FDA-approved drugs that are newly approved and those that are currently on the market. Drugs are chosen based on safety, effectiveness, and cost in comparison to other drugs in their class.

Formulary Design

Our Essential formulary includes generic drugs, preferred and non-preferred drugs, specialty drugs and ACA (Affordable Care Act) preventive drugs. Our Essential formulary is a closed formulary. This means that coverage is limited to those products listed in the different tiers. There are 4 tiers on the formulary, along with the preventive drugs.

Tier 1

This tier has the lowest member cost share. Most, but not all, generic medications are in Tier 1.

Tier 2

This tier contains some higher cost generic drugs and preferred brand-name drugs. Preferred brand-name drugs generally have lower co-payments than non-preferred brand-name drugs.

Tier 3

This tier may contain some higher cost generic drugs but is mostly non-preferred brand drugs. Non-preferred drugs generally have higher co-payments than preferred brand-name drugs.

Tier 5

This tier contains specialty drugs and has the highest co-payment and cost. These drugs are used to treat complex or rare health problems.

ACA Preventive Drugs – Drugs listed as ‘Preventive’ may have coverage and no co-payment when health care reform requirements are met for age, gender, and/or risk factors.

Medical Management

We use reasonable medical and utilization management to determine whether a medication is medically necessary. These may include prior authorization, quantity limits, and step therapy as described below. Those drugs are listed as:

PA – Prior Authorization

QL – Quantity Limits

ST – Step Therapy

Notice of Discrimination Grievance Procedures

It is the policy of QualChoice not to discriminate on the basis of race, color, national origin, sex, age or disability. QualChoice has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of the QualChoice Civil Rights Coordinator, who has been designated to coordinate the efforts of QualChoice to comply with Section 1557 (the "Section 1557 Coordinator"):

QualChoice Civil Rights Coordinator
QualChoice
P.O. Box 25610
Little Rock, AR 72221-5610

Fax #: 501-707-6729

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for QualChoice to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within sixty (60) days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of QualChoice relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than thirty (30) days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to the Vice President Corporate Responsibility within fifteen (15) days of receiving the Section 1557 Coordinator's decision. The Vice President Corporate Responsibility shall issue a written decision in response to the appeal no later than thirty (30) days after its filing.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201.

Complaint forms are available at: <http://www.hhs.gov/ocr/office/file/index.html>. Such complaints must be filed within 180 days of the date of the alleged discrimination. QualChoice will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.
