

ENHANCED FORMULARY

2020 Comprehensive Medication List

Effective Date: July 1, 2020

This document has information about the drugs covered in your plan. Please read carefully.

How We Create Our Formulary

We want to make sure our formulary (drug list) reflects clinical standards and gives our members the best value. To do this, we work with a Pharmacy and Therapeutics Committee to review new FDA-approved drugs and those already on the market. Doctors, pharmacists and nurses make up the committee. They choose the drugs based on safety, effectiveness and cost compared to other drugs in their class.

Formulary Design

Our Enhanced formulary includes these types of drugs: generic, preferred and non-preferred, specialty and Affordable Care Act (ACA)-approved preventive drugs. It is a closed formulary. This means that coverage is limited to those drugs listed in each of 4 tiers, along with the preventive drugs.

Tier 1

Lowest member cost share. Most, but not all, generic medications are in Tier 1.

Tier 2

Contains some higher-cost generic and preferred brand-name drugs. Preferred brand-name drugs often have lower copayments than non-preferred brand-name ones.

Tier 3

Mostly non-preferred brand-name drugs, though it may contain some higher-cost generics. Non-preferred drugs often have higher copayments than preferred brand-name drugs.

Tier 5

This tier contains specialty drugs and has the highest copayment and cost. These drugs are used to treat complex or rare health problems.

ACA Preventive Drugs

May be covered with no copayment if they meet ACA requirements for age, gender and/or risk factors.

Medical Management

We work to make sure our members get the right care and the right medication for all health issues, in all care settings. Utilization management determines if a medicine is medically necessary. A drug may include one of these labels on how it is to be used:

PA – Pre-authorization

QL – Quantity Limits

ST – Step Therapy

Notice of Discrimination Grievance Procedures

It is the policy of QualChoice not to discriminate on the basis of race, color, national origin, sex, age or disability. QualChoice has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of the QualChoice Civil Rights Coordinator, who has been designated to coordinate the efforts of QualChoice to comply with Section 1557 (the "Section 1557 Coordinator"):

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for QualChoice to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within sixty (60) days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of QualChoice relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than thirty (30) days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to the Vice President Corporate Responsibility within fifteen (15) days of receiving the Section 1557 Coordinator's decision. The Vice President Corporate Responsibility shall issue a written decision in response to the appeal no later than thirty (30) days after its filing.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201.

Complaint forms are available at: <http://www.hhs.gov/ocr/office/file/index.html>. Such complaints must be filed within 180 days of the date of the alleged discrimination. QualChoice will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.
