## Essential Formulary

2021 Prescription Drug List | Effective 01/01/2021

*This Prescription Drug List (PDL) is a guide to common cost-effective medications covered on the QualChoice Essential Formulary. This list is not all-inclusive. Coverage depends on your benefit plan. Check [QualChoice.com](http://QualChoice.com) for the most up-to-date information.*

*Print this PDL and take it with you when you see a doctor or other medical provider. We encourage doctors to prescribe drugs on this list when they are medically right for you. In all cases, choices about your healthcare and treatment are between you and your doctor.*

---

### How We Select Prescription Drugs

The drugs on this list are chosen for safety, effectiveness and cost, based on the guidance of the QualChoice Pharmacy & Therapeutics Committee. This group is made up of practicing doctors and pharmacists. They look at drugs regulated by the Federal Drug Administration (FDA) — both newly approved and those that have been on the market for some time.

### Reading the Drug List

**Column 1** lists the drug name. Generic drugs are listed in lower-case and brand name drugs are listed in all caps.

**Column 2** lists the drug's tier level. Each drug is listed in one of five payment tiers, each with a different cost share. Tiers 1, 2 and 3 are for non-specialty drugs while Tiers 4 and 5 are for specialty drugs (see definition below).

#### *Tier 1 – Lowest Copayment*

Most (but not all) generic drugs are in Tier 1. For the lowest out-of-pocket cost, always ask your doctor if a Tier 1 drug would work for you.

#### *Tier 2 – Middle Copayment*

If your drug is in Tier 2, ask your doctor if a Tier 1 drug might work for you.

#### *Tier 3 – Highest Copayment*

If your drug is in Tier 3, ask your doctor if a Tier 1 or Tier 2 drug might work for you.

### Specialty Drugs

These drugs may have a higher copayment or deductible and coinsurance, based on your plan. They can be filled by our preferred specialty pharmacies, Optum Specialty Pharmacy and Allcare Specialty Pharmacy. For help, call **Optum Specialty Pharmacy** at **866.791.8679** or **Allcare Specialty Pharmacy** at **855-780-5500**. Check your *Benefit Summary* about specialty drug coverage under your plan. *Generic specialty drugs are in Tier 4 while brand specialty drugs are in Tier 5.* To see what you will pay for a specialty drug, check your *Benefit Summary*.

#### *Tier 4 – Generic Specialty Drugs*

#### *Tier 5 – Brand Specialty Drugs*

---

For more on your specific drug coverage, check your *Evidence of Coverage (EOC)* or *Certificate of Coverage (COC)*. If you do not have a copy of these or your *Benefit Summary*, sign in to *My Account* at **QualChoice.com** and select *Your Benefit Booklet*. Or call us at 800.235.7111 or 501.228.7111 to ask for a copy to be mailed to you.

**Column 3** includes notes such as PA, QL, ST. These give you information on what type of utilization management edits may be applied to a drug. Definitions are included below.

***PA (Pre-Authorization)***

Covered only if pre-authorized (pre-approved). You or your doctor must have approval before filling the prescription. If you don't get approval, your medication may not be covered. Call OptumRx at 877.629.3118 for a pre-authorization form. Your doctor must fill it out and send to OptumRx.

***PV (Preventive Medication)***

These medications may be available at no member cost share as specified by the United States Preventive Services Taskforce (USPSTF).

***QL (Quantity Limits)***

Covered only for a limited number of doses over a certain amount of time. To learn more about QL on a certain drug, call OptumRx at 877.629.3118.

***ST (Step Therapy)***

Requires use of some other drug first before it is covered. Starts with the most cost-effective and safest drugs and moves on to other more costly ones only if needed. Examples are muscle relaxants and some specialty drugs.

**Medication Not Listed**

If your drug is not listed here, sign in to *My Account* at **QualChoice.com** and select *Your Drug Formulary*. On the OptumRx *Dashboard*, select *Drug Lookup*.

**Generic Drugs**

Generics are FDA-approved and have the same active ingredients as the brand-name drug. They are most often less costly than brand-name drugs. On the drug list, they are identified by all lower-case font.

**Appeal Process**

You have the right to appeal any decision by QualChoice to not provide or pay for a medication. You may file an appeal by filling out the *Member Appeal Request Form* at **QualChoice.com**. You may also call us at 501.228.7111 or 800.235.7111 and ask for a copy to be mailed to you.
