

Please read the information below carefully, then complete the form starting on page 2.

If we deny a claim in whole or in part and you do not agree, you can ask for a review. This is called an appeal. There are two ways to do this:

1. Informal Review — Optional

Call Customer Service at 501.228.7111 or 800.235.7111 (TTY: 711) to talk about your claim issue. We may be able to solve it quickly outside of the formal process. If the Customer Service representative cannot solve the issue, they will tell you about your right to appeal.

2. Formal Appeal Process

Fill out and mail pages 2 and 3 and/or send us a letter asking for an appeal. If you are sending a letter, you must provide all the information requested on the form. Your letter must also tell us why you do not agree with our finding. This form or your letter must be received by us in the time frames below.

You may also give us your appeal orally if the denial was based on medical necessity; oral requests must be followed up with a written request unless it is an expedited pre-service appeal.
