

Electronic Invoice Delivery Opt-Out Form QualChoice Employer Groups

Effective January 1, 2026, QualChoice will no longer send premium invoices via mail or email. All employers will be automatically enrolled for electronic delivery of invoices, with the ability to view all premium invoices through the *My Account* portal. All invoices will be available to view on the portal on or after the 15th of each month for the next month's billing cycle.

Only those who elect to opt out of electronic delivery will receive a mailed invoice. We will no longer offer email invoices as an option. If you elect to receive paper invoices, you will still be able to view your invoice via the *My Account* portal.
