

Some healthcare services and products may be reimbursed only when your provider (doctor or other healthcare expert) confirms that they are medically necessary. Please ask your provider to fill out this form so we can process your claim. As an option, your doctor can send a statement on his or her letterhead. It must include all of the information asked for on this form. Sending the form does not guarantee that the expense will be reimbursed.

Your doctor must specify:

- Your (or your spouse’s or dependent’s) exact diagnosis
- The treatment needed
- Length of treatment
- How it will help or affect your condition

By sending this form you confirm that:

- The expenses you are claiming are a direct result of the condition described below.
- You would not have these expenses if you were not being treated for this condition.

If you are claiming health club membership fees, you must confirm that you were not already a member of a health club.

You only need to send this form, or your doctor’s letter, with your first claim for the service or product. If the treatment goes beyond the timeframe listed, you must send a new form or letter covering the new timeframe. You will need to send a new FSA Medical Necessity Form each year.

*Note: Our role is to make sure that the proper documentation is sent for reimbursement under the plan. We review this form for completeness and to make sure that the treatment meets IRS rules and our eligibility standards.*

## Notice of Discrimination Grievance Procedures

It is the policy of QualChoice not to discriminate on the basis of race, color, national origin, sex, age or disability. QualChoice has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of the QualChoice Civil Rights Coordinator, who has been designated to coordinate the efforts of QualChoice to comply with Section 1557 (the "Section 1557 Coordinator"):

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability may file a grievance under this procedure. It is against the law for QualChoice to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within sixty (60) days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of QualChoice relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than thirty (30) days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.
- The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to the Vice President Corporate Responsibility within fifteen (15) days of receiving the Section 1557 Coordinator's decision. The Vice President Corporate Responsibility shall issue a written decision in response to the appeal no later than thirty (30) days after its filing.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201.

Complaint forms are available at: <http://www.hhs.gov/ocr/office/file/index.html>. Such complaints must be filed within 180 days of the date of the alleged discrimination. QualChoice will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.
