The State of Arkansas Continuation Law (A.C.A. §23-86-114) allows a former employee or former dependent to extend their group health insurance coverage for up to one hundred twenty (120) days. In order to be eligible for this option, the former employee or dependent must have been continuously covered under the group health insurance policy for at least three (3) consecutive months prior to employment termination or change in dependency status and must make the election by notifying the insurer no later than 10 days after employment termination or change in dependency status. The group health insurance premium must be paid in full by the former employee or dependent to the employer (policyholder) as specified below. ***In the event extension of coverage is due to involuntary termination of employment on or after February 17, 2009 and prior to December 31, 2009, the insurance premium due from the former employee will be 35% of the group health insurance premium.*** Failure to pay this premium will result in cancellation of coverage for the employee and/or any dependents.

- The date on which similar benefits are provided for, or available to, the former employee or dependent under any state or federal law; or
