

The Quality Choice for Short-Term Coverage for Sudden Illness & Injury

QuicChoice offers you peace of mind by giving you short-term coverage in case of major illness or accidents. It's ideal for people between jobs and part-time or seasonal workers. It's also great for new employees waiting for their plan to start and for recent retirees waiting for Medicare benefits to start.

Other Features:

Fast Coverage

Sign up online and you may be covered the next day.

Easy to Apply

It takes less than 10 minutes to sign up online.

Choice of Coverage Span

Sign up for as few as 20 days or as many as 182. Up to two benefit periods per lifetime.

Range of Plan Options

Choose from deductibles of \$250*, \$500 or \$1,000 — for yourself, you and your spouse or your whole family.

Full Coverage

We pay 80%, you pay only 20% after your deductible is met**. \$4,000 out-of-pocket maximum per person per benefit period. Urgent healthcare is covered.

Wide Network of Healthcare Providers

It's easy to find a network doctor or hospital. Find a provider online from over 11,000 in Arkansas and nearby states. You're also covered for emergencies when you travel.

PLUS: Save money on generic and brand name prescription drugs with our FREE drug savings card.
